Part 1

BLUEBUZZ
Look, Electro! Constellations! It’s hard to take a close look...

ELECTRO
Don’t worry Bluebuzz, I’ll use my zapping powers to explore what’s up there.

BLUEBUZZ
Really? How are you going to do that?

ELECTRO
By using my powers to shoot up the constellations, and this will cause those to speak.

Electro uses his lightning to make the left constellation, The Boss Baby, to speak

BOSS BABY CONSTELLATION
Goo! Goo! Ga! I am from Ted Templeton, also known as The Boss Baby. I am Tim’s baby brother, and me and Tim live in a universe known as the DreamWorks Cinematic Universe.

BLUEBUZZ
Oh great... first we cross over with those thingamabobs that are fuzzy, and now The Boss Baby? Wut?

BOSS BABY CONSTELLATION
There are the Learningblocks universes, too. The first seven episodes contain Numberblocks, and the last are Boss Baby. See you!

BLUEBUZZ
Do more!

Electro uses his lightning to make the middle constellation, One, to speak

ONE CONSTELLATION
Boo! Haha, just kidding.

ELECTRO
You didn’t need to scare us.

ONE CONSTELLATION
Sorry.

Electro uses his lightning to make the right constellation, Red, to speak

RED CONSTELLATION
Hello. I am Red, this is fun!

ONE CONSTELLATION
I think it’s fun.

BOSS BABY CONSTELLATION
Hey constellations, blocks ahead!

A bunch of colored blocks fly in and hit the characters, before revealing all NFGs Winter to Book

WINTER
Those constellations are right.

BUTTER
It’s finally time to visit DreamWorks.

BLUEBUZZ
DreamWorks? What is that?

BOOK
It’s the company that produces movies like Trolls, The Boss Baby and Captain Underpants.

COBYT
We are going to visit The Boss Baby.

ELECTRO
Oh yeah… the… boss… baby… yeah… wah?

BOSS BABY CONSTELLATION
The multiverse holder, Moon Child, is coming. He is our god of each DreamWorks movie.

BLUEBUZZ
Ooh, the Moon Child. Sounds innocent and sweet.

NEXELL
Well… where's the moon child?

Chimes play in the background

BOSS BABY CONSTELLATION
Oh, here comes the Moon Child.

The Moon Child drops down

MOON CHILD
Hello NFGs. I am the Moon Child, ready to take you on an adventure to BabyCorp.

BLUEBUZZ
BabyCorp?

Mae comes in

MAE
Take me with you.

MOON CHILD
We can use clouds for platforms.

Clouds come in and all NFGs hop on the clouds, as they spot a floating island with a giant Ted

GIANT TED
I saw the constellation talking with you. Just go into my head.

The NFGs fly into Ted's head, causing them to go to Ted's house, they are greeted by Tim

TIM
Hello, who are you?

BLUEBUZZ
We are the Fanagramians, and we want to take a visit to your house. It's great to know you, even though we may not see you for twenty episodes.

TIM
Nice. Ted? Come.

Ted comes

TED
Hello. I’m Ted Templeton. I’m here to greet you with a big hug!

BOOK
We love hugs. But doesn’t Jimbo do that? That’s very kid-directy of you.

TED
Wait–Jimbo does hugs? Oh.

TIM
Say, get to know you Fanagramians?

MAE
I’m Mae, and I love flowers and playing with Book! I imagine him as my lovey-dovey honey!

BOOK
I’m Book, and I’m an animafred. I am not in love with Mae, okay?

MAE
Sorry, Book. My love kicks up and I... I...

BOOK
Oh right, this episode takes place in 2018. How nostalgic of you.

BLUEBUZZ
I am Bluebuzz, I am half-bee, half-fanagramian, half-bluehoneyed, and half-yellowhoneyed.

TED
That's a quarter of each, but go on with Winter.

WINTER
I’m Winter. I love being kind and friendly to all, and I play my guitar. Once I first met this land and met Bluebuzz, she jumped in surprise! She was such a Scaredy-cat when she was young!

CEKOBLOX
As the name, Cekoblox, can tell, I love playing Roblox games, and the money! I was going to win Season 2 but that evil piece of [NO!!!!!!!!!] called Meika killed me!

TED
I always preferred Minecraft over Roblox.

TIM
I love playing Fortnite..

BUTTER
I love playing with yo mom when she-

TED
Hey!

BUTTER
Okay, I’m very sorry. I’m Butter, and I love breaking reality. Technically, this episode releases in 2024 and I’m voiced by a 21-year old, but in-universe, this episode releases in 2018 and I’m voiced by a 37-year old!

TIM
Wow. That’s 6 years apart.

BUTTER
Also, I can predict the future. Season 1 Episodes 6C-6E and Season 2 Episodes 3-6 were taken off of Netflix in Mid-2019, so they were never uploaded to YouTube. Now, Quwyatt?

Book + Winter = Quwyatt

QUWYATT
Hello. I’m Quwyatt. Out of all the crossovers, why did you choose Boss Baby, constellations? I do not think Boss Baby fits with Learningblocks at all. My voice actor hates Boss Baby, too!

BLUEBUZZ
Eieo loves The Boss Baby. She’s even my voice actor. I don’t think the other voice actors have watched Boss Baby, though.

TIM
Okay, that’s amazing for you, now, Cobyt to Nexell, introduce yourselves.

COBYT
I love going on adventures.

STAR
I Allah tricks!

ELECTRO
I invent stuff.

TIBRADOG
HEY WAIT DON’T WATCH ANY BOSS BABY MOVIES YOU. Oh, sorry, I’m Tiberadog and I love the. NO NO NO NO NO NO NO NO NO NO NO NO NO NO NO!!!! MUKBANG!!!!!

NEXELL
MUKBANG? Well, I love eating food. I am good at food eating contests. I also wish to have orange sorbet on my Amongus crumpets! In fact, there’s a secret way on how to get orange sorbet.

TIM
I do love Amongus crumpets.

TED
If you like Amongus crumpets, try the Virginia crumpets. (word bleeped out)

Tim’s mom comes in

TIM’S MOM
Ted! That’s it. Why did you say that?

Tim’s mom washes Ted’s mouth with soap

BOOK
Gah! In Page 289 of my dictionary, washing each others’ mouth with soap means we have to go inside the house!

They go inside the house

TED
Soap seems interesting. That’s something I should put on my checklist….

Ted writes SOAP on his food checklist

And now, there’s more to explore, so let’s go onward! Anyone from zero to twenty want to explore the new constellation?

BOOK
raises hand

HOLLI
raises hand

MAE
raises hand

QUWYATT
raises hand

BLUEBUZZ
raises hand

TED
Then let’s go and find something else.
